

Land Rover Parts & Accessories

This section includes our range of Accessories suitable for the Land Rover Freelander. We also include accessories which suit popular modifications to Freelander vehicles - so don't think it's a mistake if you see something that doesn't usually fit original vehicles, because you can bet that someone has a modified vehicle it will fit.

You'll also see some items are photographed on other Land Rover vehicles - this is simply because we didn't have a Freelander to hand when the photographer called in - so just make sure you use the right reference number when ordering or check with one of our expert staff who will be able to advise on correct fitment.

**PARTS:** Beearthmach produces vehicle-specific catalogues listing our vast range of parts suitable for all Land Rover vehicles - make sure you get the latest edition for your particular vehicle.

**NOTE:** Manufacturers parts numbers are used for reference purposes only.

Certificate No. RS20282

## LAND ROVER FREELANDER

Ever since the first Land Rover in 1948 the company had gained a reputation for innovation in every model range they developed so it was with great anticipation that the motoring world awaited the arrival of the "baby" Land Rover.

The Freelander duly arrived in 1998 squarely aimed at the "soft-roader" market occupied by Japanese models - and everyone was ready to criticise its off-road capabilities - they were in for a shock. Not only was the Freelander cool, chic and affordable but it really could perform off-road.

Although the Freelander dispensed with the traditional Land Rover ladder chassis, the monocoque body incorporated a substantial sub-frame with welded box sections for structural rigidity and the strength to survive snatch recoveries. Also there is no low-range gearbox or diff-lock found on more serious off-roaders - but with the Hill Descent Control system and Viscous Coupling unit the Freelander's off-road capability is revolutionary.

Body styles included the 5 door model and a 3 door "sport" which offered the very cool soft-back and hard-back options. Petrol or diesel powerplants were offered and BMW build quality added to the appeal of the Freelander range.

Voted best "baby" 4x4 in Top Gear magazine the Freelander became Europe's best selling 4x4 very quickly - so it was surprising that it took 4 years to be exported to the USA, but once there it helped revitalise Land Rover's market share.

A facelift in 2001 added the new Rover KV6 engine and a new 5-speed Steptronic auto gearbox was offered. The BMW TD4 turbo diesel engine arrived at the same time.

The Freelander "Sport" range arrived in 2004 with a lowered, uprated suspension setup and 18" wheels. This car was given a great vote of confidence when world rally champion Colin Macrae's team used it as their reconnaissance vehicle.

The introduction of the all new Freelander 2, known as LR2 in some markets, has significantly moved forward the original concept of the Freelander. It is now a true mini-equivalent of the Discovery 3 and is the ideal vehicle for on-road comfort and light off-road work. This vehicle provides a sound future for Land Rover.

It's significant that systems first developed for the Freelander continue to find their way into other Land Rover models like the Discovery and Range Rover - but that's another story...

# LAND ROVER FREELANDER

Parts and Accessories suitable for All Land Rovers from BEARMACH Ltd

## FRONT END PROTECTION

### OEM SOFT PLASTIC 'A' BARS

These bars are as fitted as original equipment. They offer robust vehicle protection as they are a steel frame construction covered in a thick rubber coat to absorb impact. More pedestrian friendly than other bars. Easily fitted to the following models.

### FREELANDER SOFT BAR

- STC50413** – Soft 'A' Bar to fit 4 cyl Freelander up to 04MY
- STC53129** – Soft 'A' Bar to fit V6 Freelander up to 04MY
- VUB501330** – Soft 'A' Bar to fit Freelander from 04MY

## LAMP GUARDS

Lamp Guards are more than just a cosmetic addition to your vehicle they help protect your valuable lights from debris thrown up by traffic in front of you or from those inevitable knocks when off-roading or even the supermarket car park.

### NEW STYLE LAMP GUARDS

An elegant new design of Lamp Guards for your Freelander – fits all models up to 04MY including V6. Steel construction, finished in polished Stainless Steel. No drilling required, fixes directly to existing lamp screws.

- BFA 3002** – Headlight Lamp Guards in Stainless Steel (pair)
- BFA 3003** – Rear Bumper Lamp Guards in Stainless Steel (pair)
- BFA 3004** – Rear Lamp Guards (upper) in Stainless Steel (pair)

### 2004 LAMP GUARDS

To suit Freelanders from 2004 on. Steel construction, finished in polished Stainless Steel. No drilling required, fixes directly to existing lamp screws.

**BFA 3008** – Rear Lamp Guards in Stainless Steel (set of 4)

## O.E.M. LAMP GUARDS

The following Lamp Guards are as supplied as original equipment.

**STC7962AA**

### HEAD LAMP GUARDS

To suit all Freelanders up to 2004. Manufactured in high density plastic. Complete with all fittings.

**STC7962AA** – OEM Freelander Front Lamp Guards

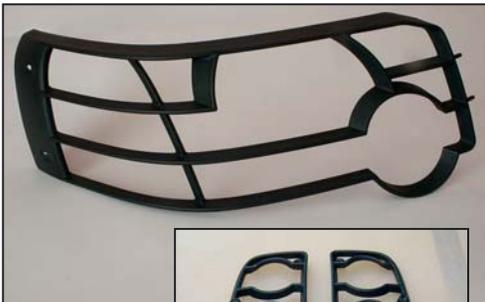

**STC7960**

### REAR LAMP GUARDS

To suit all Freelanders up to 2004. Easily fitted using existing screw holes. Manufactured in high density plastic. Complete with all fittings.

**STC7960** – OEM Freelander Rear Lamp Guards (Set of 4)

### 2004 LAMP GUARDS

To suit all Freelanders from 2004 on. Manufactured in high density plastic. Easily fitted using existing screw holes. Complete with all fittings.

**VUB501390** – 2004 Freelander OEM Front Lamp Guards (Pair)  
**VUB501400** – 2004 Freelander OEM Rear Lamp Guards (Set of 4)

**VUB501400**

## SIDE STEPS

All Bearmach side steps are designed not only to ease entering and exiting the vehicle, but also help to protect the vehicle from scuffs, dings and other annoying marks picked up through everyday use. Easily fitted to the chassis of the vehicle, with minimal modification (underneath vehicle), the sturdy steps also contribute to the vehicle's appearance.

**BFA 2009**

### STAINLESS STEEL SIDE STEP

Stainless steel side step to suit Freelander 3 and 5 door models. Made from high quality stainless steel tube and stainless steel tread plate. Polished to a mirror finish. All brackets and fasteners used underneath the vehicle are zinc plated or stainless. Fixes with nutserts in existing holes.

**BFA 2009** – Freelander Side Step in Stainless Steel

**STC53077**

### FREELANDER SIDE STEPS

A stylish step for the Freelander, finished in black with dimpled rubber tread. Supplied with brackets to mount to mudflap if fitted.

**STC7941** – Freelander Side Steps, Black  
**STC53078** – Freelander Side Steps, Stainless Steel

**STC53078**

# LAND ROVER FREELANDER

Parts and Accessories suitable for All Land Rovers from BEARMACH Ltd

**STC7945AA**

**BFA 2020**

## SIDE TUBES

NEW Genuine Side Tubes. These tubes not only give a rugged, off road appearance to your vehicle, but also act as a step. As they are made from large steel tube, they also offer considerable protection to your Land Rover. Easily fitted and finished in black.

**STC7945AA** – Freelander Side Tubes (Pair)

## STAINLESS STEEL SIDE TUBES

Similar in construction to STC7945AA but finished in highly polished stainless steel.

**BFA 2020** – Stainless Steel Side Tubes to suit Freelander

**BFA 2007**

## SIDE STEP

These steps have a tubular steel frame construction with an aluminum tread in a brushed finish with hi-gloss graphic detail inset.

Fitting is straight forward and all brackets and fixings are supplied.

**BFA 2007** – Aluminium Tread Side Steps

**BFA 2010**

## STAINLESS STEEL SIDESTEPS

A new style side step, designed for Freelander with a polished stainless steel plate, on an aluminium under construction. Rubber anti-slip strips ensure safer exit and entry to the vehicle. TUV approved.

**BFA 2010** – Stainless Steel Sidestep to suit Freelander

**BFA 2006**

## SIDE STEPS

Suitable for 3 and 5 door Freelander. Galvanised steel construction ensures maximum resistance to corrosion. The flat edges are encased in rubber. Available with rubber or aluminium tread plate with dimpled surface for extra grip.

Fixes in to existing holes in subframe with nutserts

**BFA 2006** – Freelander Side Step with Rubber Tread

## EXTERIOR STYLING

### SIDE MOULDING KIT

Side mouldings designed to fit on lower side of the vehicle. No drilling required. Protects the vehicle from car park knocks and minor bumps.

- BFA 7001** – Side Moulding Kit to suit Freelander 3 Door
- BFA 7002** – Side Moulding Kit to suit Freelander 5 Door

### STAINLESS STEEL SILL FINISHERS

Add a touch of style and practicality to your five door Freelander. Manufactured in stainless steel with highly polished tread pattern. Supplied as a set of four pieces to protect each of the four door sills, complete with stainless steel screws. No drilling required, simply undo existing plastic sill and replace with this stainless steel set.

- BFA 2008** Stainless Steel Sill Finishers (5 Door only)

### PERSPEX WEATHER-SHIELDS

Made from perspex, easily fits to passenger and driver's doors to stop rain penetration when on the move. Reduces draughts yet still allows good ventilation.

- BFA 7100** (illustrated) For 3 door Freelander (pair)
- BFA 7101** For 5 door Freelander (pair)
- BFA 7102** For 5 door Freelander - Rear (pair)

## ROOF RACKS

Family holiday, major expedition or just too much to put inside the vehicle – a robust roof rack is an essential accessory. Bearmach offer a range of roof racks to suit all pockets and load carrying requirements.

### FREELANDER ROOF CROSS BARS

Cross Bars to fit Freelander models which are not fitted with roof rails

- BFA 9003** – Freelander Roof Cross Bars
- BFA 9003A** – Freelander Roof Bars adapter - required to fit BFA 9002 to a 3 door model

### FREELANDER ROOF CROSS BARS

Cross Bars to fit Freelander models which are fitted with roof rails.

- BFA 9002** – Freelander Cross Bars

### FREELANDER LUGGAGE CARRIER

A sturdy metal construction Roof Tray which will hold all your holiday paraphernalia securely. Suits Cross Bars BFA 9002 or BFA 9003

- BFA 9001** – Roof Tray (includes adapter for BFA 9002)

# LAND ROVER FREELANDER

Parts and Accessories suitable for All Land Rovers from BEARMACH Ltd

## TOWING EQUIPMENT

Bearmach offers a range of towing equipment to enhance the towing capabilities of all the Freelander models.  
**See page 157 - 159 for Tow balls and other Towing Accessories.**

**BFA 8002**

**E Marked**

### TOW HITCH for Freelander

**BFA 8002** – Freelander Tow Hitch  
Illustrated with BA 193 (optional) Tow Ball. Bolts to existing holes in chassis/floorplan.  
**E Marked**

### REMOVABLE TOW HITCH

Removable Tow Ball which can be quickly locked into position with the key provided.  
E Marked. Bolts to existing holes in chassis/floorplan.

**BFA 8003** – Removable Freelander Tow Hitch (up to 04MY)

**KNK500070** – Towbar to suit all models (04MY onwards)

**BFA 8003**

### ELECTRIC WIRING KIT

**YMZ101030** – N-Type wiring kit which clips into existing harness

## SPECIAL EQUIPMENT - OFF ROAD

If you intend to take your Freelander off-road you ought to consider the vulnerable areas underneath the vehicle as well as the bodywork. Bearmach make a variety of items all manufactured to the highest standards and tested to destruction to give you peace of mind when tackling the roughest terrain.

**BA 084**

### SILENCER GUARD

Manufactured in 1½" heavy gauge tubing. 4 point fixing.  
**BA 084** – Freelander Silencer Protection

**BA 088**

### ROCK SLIDERS

The SliderZ produced by DAP are manufactured from 1" dia. steel tubing and a 3/16" steel, custom Z strip. The mounting brackets and scuttle plates are .125" and 3/16" steel plate. These provide a secure mounting base. This product is assembled with a MIG welding process on a jig fixture, to ensure an exact fit. The materials used for the SliderZ are carefully chosen for their light weight, high strength features and the design is optimised so that no drilling is required. The factory jack can still be used with the SliderZ due to the unique tab located under the z strip which will engage with the jack.

**BA 088** Rock SliderZ

## HEAVY DUTY SUSPENSION – AND OFF ROAD EQUIPMENT

We always stock a wide range of famous names Shock Absorbers suitable for all Land Rovers as well as other essential equipment for power off-roading.

**KONI** SHOCK ABSORBERS

**MONROE**  
shock absorbers

## SHOCK ABSORBERS

**MONROE** – Gas Filled shock absorbers that offer an excellent replacement for the Oil originals. Durable and suitable for towing.

**KONI** – Adjustable Gas filled shock absorbers (Cartridge only) to fine tune to the desired specification. Suitable for use in both on and off-road specifications.

Make	Fill + Tube type	Extension mm	Freelander	
			Front	Rear
Monroe	Gas	0	BA 2117	BA 2118
Koni	Gas	0-25	BA 2117K	BA 2118K

### Anti Roll Bar Kit

Our Anti-Roll Bar Kits will transform the handling of your Land Rover. Supplied with a new thicker front bar, a rear roll bar (which is not fitted as standard) instructions, brackets, nuts and bolts etc. Make your vehicle go round corners like a go-kart.

**BA 2224** – Anti-Roll Bar Kit

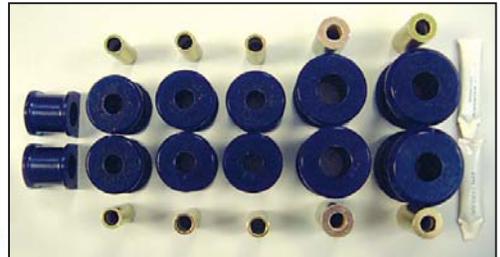

**BA 2224**

### WHEEL SPACERS

Kit of 4 Spacers in alloy with all studs and nuts

**BA 3404** – 35mm  
Freelander  
Spacer Kit

**BA 3409** – 30mm  
Freelander  
Spacer Kit

### POLYURETHANE BUSH KITS

The fitment of Bearmach Polyurethane Bushes has been developed to give more positive location at pivot or fulcrum points. These suspension components are particularly recommended if you regularly tow or carry heavy loads.

These bushes have a high capacity to bear tension and compression and have been tested at temperatures from -100°C to +100°C. They are resistant to deterioration and swelling caused by oil, grease or chemicals.

**BFA 6001** P-U BUSH KIT Freelander

## SUSPENSION MODS

### LIFT KIT

Give your Freelander the Ground Clearance for better off road ability. Use with our Heavy duty 'A' frames which supports aluminum sump guards for even better protection off road. see page 4

**BA 2225** – Freelander 2 inch Lift Kit. (shown with optional tyres)  
Use with BFA 6002 Camber Pins

**BFA 6002** – Freelander Camber Pins  
Allows Camber of wheels to be altered. Ideal for when raising or lowering the vehicle.

<b>BA 1606</b>	ANR4983HP	Front	Freelander to YA
<b>BA 1607</b>	SDB101070HP	Front vented	Freelander 1A on

# LAND ROVER FREELANDER

Parts and Accessories suitable for All Land Rovers from BEARMACH Ltd

## INTERIOR ACCESSORIES

It's all very well having the best vehicle for some off-road adventures but here's a few creature comforts to enhance your Freelander's interior.

### DOG GUARD for Freelander

**BFA 5001** – DOG GUARD for Freelander

Steel frame construction, with wire mesh for lower and upper parts. Black Nylon coated. Easily fitted and removed in minutes. Acts as a barrier for any cargo, and stops damage to seat backs. 5 Door Only.

### MOULDED BOOT LINERS

As effective as usual boot liners but with a difference – these can be rolled up when not in use and stored in the vehicle. They spring back into shape when unrolled and they have 4" sides to keep the muck in. Small modification may be required if a dog guard is fitted.

**BA 3142** Moulded Boot Liner for Freelander 5 Door Only.

**BA 3142A** Moulded Boot Liner for Freelander 3 Door Only.

### MAT SET for FREELANDER

Hard-wearing Mat set specifically shaped to suit the Freelander. All mats have in-built heel pads on both sides for longer life.

**BFA 4001** – Four piece set in Grey.

### HEAVY DUTY RUBBER MATS

Bearmach have recently introduced a new range of quality rubber mats. Strong and waterproof, the weight of these mats ensures that they do not move when in the vehicle and keep the carpet clean.

**BA 3506** – Pair Rubber Mats for Freelander (Front)

**BA 3507** – Pair Rubber Mats for Freelander (Rear)
